PLEASE READ:

*Under our 25-year warranty for tool and 10-years for lights, we will repair or replace (with one of equal or greater value) your product at our discretion. If we choose to replace your tool instead of repair it, your original tool will not be sent back to you. **If your Leatherman has sentimental value and you do not want it replaced, please tell us this. Note that in this situation, if we cannot fix the problem, your tool will be sent back to you AS IS instead of being replaced.***
